Ney & Partners is a team of engineers and architects working on the conception, materialisation and engineering of structure and infrastructure. Founded in 1996 by civil engineer and architect Laurent Ney, the office today consists of a main office in Brussels, with offices in Luxembourg, Tokyo, Bordeaux, Delft and Hanoi.

Our website: https://www.ney.partners

To strengthen our team in Hanoi, we are looking for:

02 JUNIOR ENGINEERS

1. Job title: **Junior Engineer**

2. Work Location: Thanh Xuan, Hanoi, Vietnam.

3. Duties and Responsibilities:

You will work as a **Project Engineer** within the design team, contributing to both 2D and 3D modeling for various bridge structure projects.

Main tasks include:

- Responsible for integrating 2D and 3D models of **bridges** using Cad and BIM software such as **AutoCAD, Revit, Tekla, and Allplan**, from **concept design** to **detailed design** phases.

Collaborate closely with a multidisciplinary team of engineers, architects, and designers in both **Hanoi office** and our teams in **Europe**

4. Education and/or Work Experience Requirements:

- Bachelor's degree with honors, specializing in Bridge, Tunnel or General Transportation engineering.
- Fresh graduate or up **1 year of experience** as a detailed design engineer.
- Having good knowledge and background in **2D and 3D modeling softwares**.
- Proficiency in **English**.
- Strong **teamwork** and **collaboration** skills.
- Passion for **modeling innovative structures**.
- Commitment to **high-quality work** and **forward-thinking solutions**.

5. What we offer:

- An exciting opportunity to work on original projects involving diverse structural challenges.
- A professional and supportive working environment.
- Private hospital insurance coverage.
- Expecting starting date: **November 2025.**

6. Contact Information:

- For questions or to apply, please send your **CV in PDF format** to Ms. Hien - hdt@ney.partners (+84) 024-22839922.
- Applications are reviewed on a **first come, first served** basis.
- Only shortlisted candidates will be contacted for interviews.
